Subject: Tal Port Industries LLC Admin Claim 19804

Hello Seth,

As we have discussed, can you provide a business contact at Tal Port that I may work with to resolve the issues in this claim? In addition, a listing of the current amount outstanding would be very helpful. Thank you so much for your assistance.

Regards,

Margaret,
Thanks for the call. Babs Hardy, the President of Tal Port, will be our contact to speak with whomever you designate from Delphi. If you would like, Babs can initiate the call to Delphi's rep if you can get me a name and number of Delphi's contact. I have let Babs know that we need an updated amount and she will provide it in her phone call to Delphi.

Subject: Tal-Port Admin Claim 19804
Attachments: Tal Port, Claim 19804 payment information.pdf

Hello Diane,

The following is a list of claimed items that are found to be paid by the "D.../...." reference number listed on the invoice (payment report attached):

| Invoice No. | Claimed Amount | Paid Amount | Payment Information |
|------------------|----------------|-------------|--|
| 104981 D254/5700 | 264.44 | 264.44 | Paid 4/2/08 ref 2000108578 |
| 105000 D255/5700 | 132.22 | 132.22 | Paid 4/2/08 ref 2000108578 |
| 105060 D256/3300 | 132.22 | 132.22 | Paid 4/2/08 ref 2000108578 |
| 105061 D256/5700 | 264.44 | 264.44 | Paid 4/2/08 ref 2000108578 - see also 105062 |
| 105062 D256/5700 | 528.88 | 528.88 | Paid 4/2/08 ref 2000108578 - see also 105061 |
| 105124 D257/3300 | 132.22 | 132.22 | Paid 4/2/08 ref 2000108578 |
| 105134 D258/5700 | 132.22 | 132.22 | Paid 4/2/08 ref 2000108578 |
| 105202 D259/5700 | 528.88 | 528.88 | Paid 4/2/08 ref 2000108578 |
| 105290 D260/5700 | 132.22 | 132.22 | Paid 5/2/08 ref 2000123020 |

The remaining invoices found in the claim did not contain the "D.../...." reference number and therefore could not be matched. In addition, many invoices contain "Delphi" or "Delphi 116" in the purchase order field. This is not a valid purchase order.

Please forward the packing slips for the remaining items, including the "D.../...." reference number, as well as valid purchase order references. We can then investigate these items as well.
